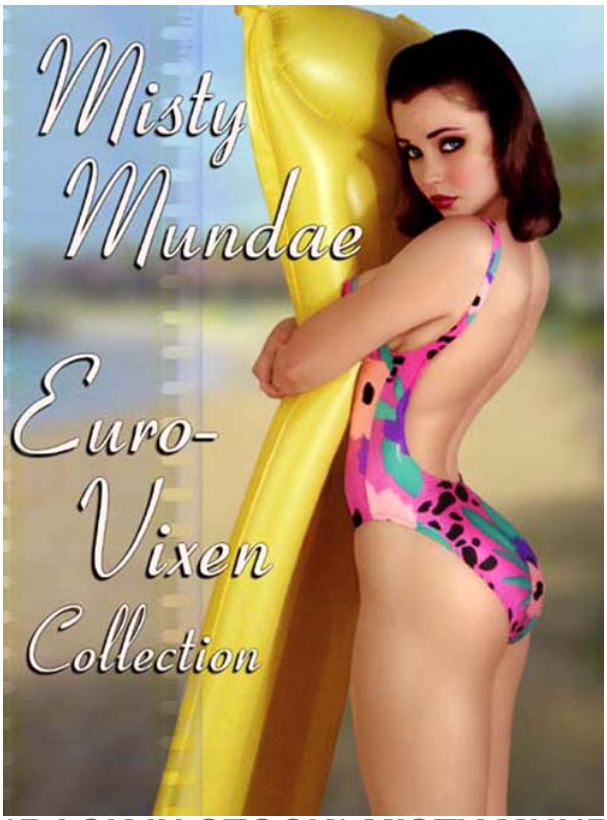
***BACK IN STOCK* SEDUCTION OF MISTY MUNDAE (DVD)**
starring Misty Mundae and Julian Wells

SEDUCTION OF MISTY MUNDAE is an homage to classic erotic cinema of the 1970s, delivering complex female characters and a rich plot along with some of the most intense love scenes of Misty's career!

Shy 18-year-old Misty (Misty Mundae) is staying with her aunt Inga (Julian Wells) for a week in the country. Naïve and innocent, yet on the verge of discovery, Misty wants to learn all she can from her seductive aunt about the desires that have begun to stir within her.

***BACK IN STOCK* DR. JEKYLL AND MISTRESS HYDE (DVD)**
Hoping to free women from sexual inhibitions, Dr. Jackie Stevenson develops a serum that separates the patient into two halves – the “pure” and the “lustful”. But when her experiments drive a test subject mad, she injects herself – unleashing an insatiable alter-ego with an appetite for sexual self-destruction.



***BACK IN STOCK* MISTY MUNDAE EURO-VIXEN COLLECTION (DVD)**
Four incredible Uncut, European versions of Misty Mundae movies on three DVDs!

Mummy Raider – When peril threatens the world, it’s up to deadly yet delectable super-secret agent Misty Mundae to save the day, seduce the villain, and win the girl.

Roxanna – Misty is a sexy, saucy slut with a drug habit who also indulges an insatiable desire for hot 'n' kinky lesbian love.
Satan's School for Lust – Young, beautiful and naïve Primula Cooper (Misty) is sent to the "Diablo School For Girls" where extra-curricular activities include erotic debauchery and orgiastic satanic rituals. The "extra spicy" cable TV cut never released to U.S. home video!
Vampire Vixens – This sequel to Seduction Cinema's Vampire's Seduction finds Misty giving an ultra-erotic crash course in luxurious lesbian love-making to a young women eager to learn all she can. Includes rare, naughty Misty scenes that'll make your blood boil!

SpiderBabe Unrated (DVD)

stars: Misty Mundae, Julian Wells, Darian Caine, Ruby LaRocca, Suzi Lorriane

Seduction Cinema starlet Misty Mundae is Patricia Porker, a shy and studious college girl with sweet dreams of romance with a handsome jock. When bitten by her science teacher's genetically engineered arachnid, she gets more than she could have ever wished for! Suddenly transformed into a wall-climbing, building-bounding beauty with superhuman strength, Patricia takes the name 'SpiderBabe' and quickly warms to saving lives and fighting crime in New York City. But little does SpiderBabe know that a sinister arch-enemy is plotting her downfall. Her name is Lucinda Knoxx, a.k.a. The Femtilian (Julian Wells) – a lithe, deadly and delectable evil genius with her own taste for adventure – and she will stop at nothing in her mad quest for global domination.

DVD includes:

– SpiderBabe Unrated feature film
– "OutThere TV" Clip featuring Emily Booth
– Multiple "Naughty" Deleted Scenes

– SpiderBabe Behind-The-Scenes
